Capital Crescent Trail Walk---Oh What a Beautiful Outing

Many thanks to the trail organizer Jenny Chou and George & Wendy Chang for a pleasant outdoor event on **April 16**. Judging by the pictures they took along the trail (available at our website), all participants enjoyed the leisure walk surrounded by nature and friendship. In addition to the various drinks and snack packs, George also passed out 20+ NTU campus CDs for each participating family at the walk's 3-mile mid-point as a reward. Quite a setup for alumni bonding!
